

KICKSTARTING YOUR BUSINESS SUCCESS IN 2021

If you've been working to grow your business for a while now and things aren't happening as fast as you want, then consider this special offer.

What challenges are you facing at the moment?

- Has the current situation made it more difficult for you to attract new clients this year? What are your plans for new business generation?
- How can you keep staff motivated when they are all working from home? Are you finding it much more difficult now that they are not all around you in the office? How do you do virtual motivation?
- What about you, your personal motivation? What support do you need to create a business plan to make 2021 a success?

What's the offer?

An initial **free** 45-minute consultation plus two **free** coaching sessions, where we'll work together to address your specific business challenges. All this at no cost to you.

Then, if you wish to continue, we will agree how I can support you on an on-going basis. If, on the other hand, you are not convinced then walk away at no cost.

KICKSTARTING YOUR BUSINESS SUCCESS IN 2021

What is Coaching?

Coaching is a collaborative partnership, working with you to achieve goals, solve problems and maximise your own potential.

Who am I?

Mike Mallett, business coach and mentor, specialising in helping small business owners. With 35 + years in start-up, franchising and small business management I understand the mind set of small business owners. I've been a sole trader, a franchisee, a company Director, an MD and a business owner more than once. [Read my full story here.](#)

Testimonials

“

I found Mike to be a very committed and supportive coach which helped greatly in moving towards the goal I discussed with Mike regarding my business start up.

Mike was positive, encouraging and organised throughout our meetings. I very much enjoyed working with him. He has enhanced my life and I'm grateful.
